

# Kitchen Angels Volunteer Opportunities

## In the Kitchen...

### **MORNING SHIFT (10:00 – 12:00)**

Work with staff preparing and packaging meals for our clients. The morning shift is the smaller of our two kitchen opportunities. Jobs include making salads and dressings, packaging bread, chopping vegetables and perhaps even creating the daily desserts. Clean up, too.

### **AFTERNOON SHIFT (1:00 – 3:00)**

Work with staff preparing and packaging meals for our clients. The afternoon shift is the larger of our two kitchen opportunities. Jobs include making soup, entrees, and vegetable side dishes. You'll also help package each course individually and ready each meal for delivery. Clean up, too.

## Later in the Day...

### **DELIVERY PREPARATION (2:00 – 3:30)**

Delivery room preparation involves compiling numbers of entrees, setting up client delivery bags, and then pre-loading food into the meal bags. You work in a team of 2-4 volunteers.

### **DELIVERY COORDINATOR (3:30 – 5:30)**

Delivery coordinators greet our drivers, custom pack the client meal bags and ensure that our clients get the correct meal. In an emergency situation, you also deliver to our clients. If you like people and are detail oriented, this very important position is for you.

### **DELIVERY VOLUNTEER (4:30 – 6:30)**

Delivery Volunteers may pick up their route of meals between 4:15 and 5:15 PM. You'll drive a route of about 5 – 10 clients, once a week. Visiting is encouraged, not required.

### **SUBSTITUTE VOLUNTEERS (When needed)**

Substitute drivers, coordinators, and kitchen volunteers help out by filling in for shifts that are short on volunteers. Delivery volunteers are in high demand. You can be a regular driver, as well as a substitute.

## Special Events...

### **Throughout the year, as needed**

Several times each year Kitchen Angels holds fund raising events. During these times, we often need volunteers to help with such tasks as catering, serving, welcoming, distributing information, etc. If you are unable to commit to a regular weekday shift, perhaps you could join us on a weekend to assist our fund raising efforts! We encourage all of our volunteers to take part in these fun, meaningful events.

## Kitchenality...

### **Tuesday through Friday (10am – 1:30pm & 1:30pm – 5pm) Saturday (10am – 2pm)**

Kitchenality is our resale store that sells new and gently used kitchen and entertainment items. Tasks include washing and processing merchandise, stocking shelves, customer service and working the cash register. Must have good people-skills and be cash register savvy to work in the front of the store.

*Choose one shift, one day a week, or more if you'd like. It's that simple.*

*Thank You for considering Kitchen Angels.*
