

# CORPORATE OPPORTUNITIES

*You and your employees can become Volunteer Angels...*

## *Adopt a Delivery Route*

Your company agrees to recruit a volunteer team – one employee, one day each week to adopt a delivery route. The team is responsible for 1 route of clients (5-10 deliveries). Allow approximately 2 hours for this activity. The employee should be allowed to leave work in time to arrive at Kitchen Angels between 4:30 and 5:15. We encourage your employees to wear company t-shirts and other business identification.

**Free**

## *Sponsor a Day*

Your company underwrites the cost of one meal – on one special day – for all our clients. Your company name is given a prominent placement on the day's menu board (at our kitchen), on the printed menu received by each of our clients and is listed in a special article in our quarterly newsletter (6,000 copies). This is a great way to honor a very special employee or a company milestone!

**\$1,500**

## *Adopt a Holiday*

Your company underwrites the cost of your favorite holiday. You also have the opportunity to provide volunteers for both our kitchen and delivery activities. We'll display your company banner at our facility, list you on all menu formats and list your company in our newsletter. **\$2,500**

**Kitchen Angels** is dedicated to providing free, nutritious meals to our homebound neighbors living with life-challenging conditions. Becoming a volunteer angel helps to build camaraderie in your organization, increase company presence, strengthen our community, and support a meaningful cause.

Please feel free to contact either Tony or Lauren for further information on how to become a corporate sponsor.
